Introduction

This program is an initiative by the Central Bank of Kuwait in cooperation with Kuwaiti banks and Kuwait Institute of Banking Studies to prepare the next generation of Kuwaiti Risk Management Leaders. The program strives to cultivate and equip local talents engaged in the Risk Management domain, be it within the banking sector or related industries. Its objective is to elevate the skills of qualified national talents, enabling them to adeptly navigate global and local advancements in the economic landscape, specifically within the realm of risk management.

About the Program

The content of the training program in the field of risk management has been designed in line with the requirements of the banking and financial sector in Kuwait, in cooperation with international institutions specialized in this field.

The program extends over a period of five non-consecutive months divided into four different phases; the fourth phase contains a field training outside Kuwait. It includes specialized training programs, lectures, graduation projects and advanced workshops.

General Conditions

1. The applicant must be a Kuwaiti citizen.
2. The applicant must have a bachelor's degree in the field of finance, banking, accounting or any similar specialty.
3. The applicant must have at least five years of experience in the same field.
4. The nature of the applicant's work is related to the course of the program (risk management, operations, credit, treasury or similar fields).
5. Passing personal interviews and any prescribed tests in this regard.
6. The ability to travel outside Kuwait without legal or health obstacles.
7. Employer approval.

Required Documents

1. Fill out the automated nomination form.
2. Copy of the certified academic certificate.
3. Copy of the civil ID.
4. Copy of the nationality certificate.
5. Recent personal photo.
6. Nomination letter from the employer.

General Provisions

- The program bears the cost of airline tickets for trainees in the economy class to leave and return to Kuwait with the provision of accommodation and transportation expenses; the participant bears any other expenses, noting that the external training period is one week only.
- 14 participants will be selected from the total applicants after screening the candidacy applications and passing the exams and personal interviews.
- The participant is required to allocate time and commit to attend and pass the local and international tests associated with the program during the training period.
- Acceptance of candidacy applications shall not necessarily mean joining the program as the applicant must pass the tests, criteria and interviews for admission.
